PRIMER ON DATA SCIENCE

Povo, Trento
12-14 February 2020

<http://datascience.maths.unitn.it/events/pds2020/>

"Primer on Data Science" is a serie of summer and winter schools organized by the curriculum Mathematics and Statistics for Life and Social Sciences of the Laurea Magistrale in Mathematics (Department of Mathematics, University of Trento) to the aim of introducing third year bachelor students and bachelor graduates to the topics of this curriculum.

The 2020 edition will focus on a gentle introduction to some aspects of
**Mathematical Finance and
Acturial Statistics.**

ORGANIZERS

Stefano Bonaccorsi
Claudio Agostinelli
Carlo Orrieri
